Rc.No.1296-E7-M/53 dated 9-3-1954.

Sir,

Sub: Elementary Education - Aided Schools - Malabar District - Direct Payment of salary to teachers
Ref: G.O.Ms.No.2295 Education dated 28-9-1953.

In para 4 of the G.O. cited, Government have ordered that Teachers Provident Fund subscriptions should be deducted by the District Educational Officer from his salary and the balance alone claimed in the teaching grant bill. Government also ordered that for provident fund subscription, separate bills in convenient batches should be prepared by the District Educational Officers for all the teachers working in the District and sent to the sub-treasury for adjustment adopting one of the following two courses in consultation with the Post Master General, Madras.

1) The Sub Treasury may transfer the amounts in the bill to the Provident Fund account in the Post Office for credit separately to the account of each individual teacher
2) The District Educational Officer may draw the amount in cash and pay separately to the credit of each provident fund account.

The Post Master General, Madras who was addressed in the matter reported that the matter is receiving attention. I am also reminding him to-day demi-officially to expedite his reply.

Meanwhile, it has been reported by the District Educational Officers that while disbursing grant for January 1954, the deductions towards the teachers' share of Teachers Provident Fund contributions have been made and that if orders regarding the procedure of adjustments of the accounts are not issued immediately it may not be possible to credit the amounts in the respective accounts of a large number of subscribers before 31-3-1954. It is also reported that the number of subscribers in Elementary Schools in Malabar is large and that the accounts of these subscribers are standing open in several post offices.

As the financial year is drawing to a close and the amount of subscriptions so far deducted would lapse if no arrangement is made for adjusting the amount, I request that Government may be pleased to authorise the District Educational Officers in Malabar to keep the amount of TeachersProvident Fund Subscriptions in the suspense account in the treasury pending final reply from the Post Master General, Madras in the matter.

I also enclose a copy of the letter dated 27-1-1954 received from the Post Master General, Madras and a copy of the letter dated 8-2-1954 received from the Treasury Officer, Kozhikode for favour of information.

Yours faithfully,

for Director of Public Instruction

In continuation of this office letter No.SB/LX/528/III dated 26-12-1953, I write to inform you that it has not been made clear in your letter dated the 9-1-1953 as to how the amounts to be credited in the various Post Offices will be adjusted by the Treasuries. It may kindly be intimated whether a single treasury chalan covering the subscriptions of the entire staff of teachers whose salaries are disbursed by the Treasuries will be presented at the PO directly dealing with the Treasury and what procedure will be adopted in regard to POs that are not situated at Treasury Stations. I shall be oblidged if you will kindly favour me with your views clearly on this point.

I shall communicate with you again.

Proposals for adjustment of T.P.F. contributions deducted from the pay of the teachers.

The District Educational Officer will draw a consolidated bill in duplicate for the total amount of T.P.F. contributions deducted, on behalf of all the teachers employed in schools situated under the jurisdiction of the Treasury or the Subtreasury endorsed for payment in favour of the Postmaster of the Post Office situated at the Headquarters of the Sub Treasury or the Treasury. Along with this consolidated bill, a list of teachers with their names and Account No. and the amount to be credited in the Pass Book will be attached. The Bill will be drawn once in a quarter or twice in a year.

All the accounts of teachers now operated in Post Offices other than the Post Office situated at the Sub-Treasury or the Treasury will have to be transferred to the Post Office situated at the Treasury or the Sub-Treasury. The teachers will have to be required to surrender their pass books to that post office at the Headquarters of the Treasury or the Sub-Treasury. The Postmasters concerned, immediately on receipt of the adjustment bill and the list from the Treasury or the Sub-Treasury, will adjust the amount to the credits of the teachers accounts concerned.

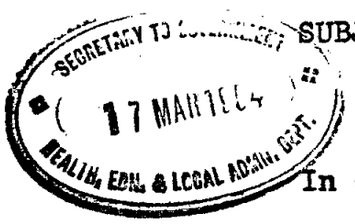
Dear Sri Venkateswaran,



SUBJECT: ELEMENTARY EDUCATION - Aided Schools, Malabar District Direct payment of salary to teachers - Procedure for adjusting T.P.F.contribution of teachers - proposal.

In continuation of my letter R.C.No.1296 B.7.M/53 dated 9-3-54, I write to inform you that the Accountant-General's Office has been contacted regarding the suggestion to keep the amount of subscription so far deducted in the suspense account in the Treasury and that a report will be submitted on receipt of reply from the Accountant-General, Madras.

Special Note to me Fin. Sht see 17-3-54

A.J, Edn.

2. The Post-Master-General, Madras has since agreed to the proposal for adjusting the T.P.F.contribution of teachers in aided elementary schools in Malabar. The Treasury Officer, Kozhikode has also accepted the proposal - vide my letter R.C.No.1296 B7.M/53 dated 9-3-54 in which copies of the correspondence on the subject have been enclosed.

3. According to the proposal accepted by the Post-Master-General, Madras and Treasury Officer, Kozhikode, the procedure for adjusting the T.P.F.contribution of teachers will be as follows:-

(1) The District Educational Officer will draw a consolidated bill in duplicate for the total amount of T.P.F.contributions deducted on behalf of teachers employed in schools situated under the jurisdiction of the Treasury or the Sub-Treasury endorsed for payment in favour of the Postmaster of the Post Office situated at the head-quarters of the sub-treasury or treasury. Along with this consolidated bill, a list of teachers with their names and account number and the amount to be credited in the Pass Book will be attached. The bill will be drawn once in a quarter or twice in a year.

(2) All the accounts of teachers now operated in the Post Offices other than the Post Offices situated at the head-quarters of the sub-treasury or the treasury will have to be transferred to the Post Office situated at the head-quarters of the Treasury or the sub-treasury. The teachers will have to be required to surrender their pass books to that Post Office. The Postmasters concerned,

immediately

immediately on receipt of the adjustment bill and the list from the Treasury or the sub-treasury, will adjust the amount to the credits of the teachers' accounts concerned.

I recommend that Government may be pleased to approve the above proposal. Government may also direct that the adjustment may be made once in a quarter, the adjustment for the last quarter being adjusted before 31st March. The programme for adjustment of the T.P.Fc contribution may be as shown below.

The amount of subscription deducted from the grant paid for the period from 1st April to 30th June, from 1st July to 30th September, from 1st October to 31st December and from 1st January to 31st March should be adjusted on or before 15th July, 15th October, 15th January and 31st March respectively.

I may also mention here that it will not be possible to make monthly adjustments for administrative reasons. Nor can it be made once in a year or twice in a year as this will inconvenience teachers who wish to apply for advances and deprive them of the interest that would accrue if the adjustment is made once in a quarter.

2. I request the favour of early orders of Government in the matter.

--

With reference to para 4 of the GO cited, the District Educational Officers in Malabar have made deductions towards P.F.Contributions from the salaries of teachers and disbursed the salaries due but pending a final reply from the Postmaster General, no adjustment of the amounts so deducted has been made. The financial year is drawing to a close, and unless the amounts so deducted are adjusted before 31.3.1954, they would lapse. Government have been addressed in Director's letter dated 9.3.1954 requesting permission to authorise the D.E.Os to keep the amounts so deducted in the suspense account of the treasuries pending final reply from the Postmaster General, Madras. Kindly let me know whether this procedure is permissible according to the Treasury Rules or if this is not so, I request you to suggest a suitable procedure.

I request a very early reply.

Fort St.George,

No. [illegible] Edn -1790 Dated 16th March 1954.

My dear Paul,

Sub:-Direct payment of salaries to aided elementary school teachers in Malabar - Adjustment of Provident Fund subscriptions deducted from salaries.

Will you please refer to your D.O.letter No.1296 B7/M53 dated 10.3.54 on the above subject? It is incorrect to keep the amount of subscriptions in 'suspense' in the treasury account as the Provident Fund credits of the teachers are not accounted for in Government accounts at all. The only alternative to see that the grant is spent during the year, would be to draw the bills for the amount of the subscriptions and credit to personal deposit accounts in the name of the District Educational Officers at the treasury. The opening of a Personal Deposit account would require the sanction of the State Government under article 269 of M.F.C.Vol.I. You may, therefore, approach Government for according sanction for opening Personal Deposit Account in the name of the District Educational Officers in Malabar District.

2. Under this procedure, the teachers will lose the interest on their deposits, which would have accrued to them if the amounts were kept in Post Office savings Bank

account.

Sir,

Sub:- Elementary education - aided - direct payment of salaries to aided elementary school teachers in Malabar District.

I am to state that Government have permitted in G.O.Ms.305 Edn. dated 20.3.54, the District Educational Officers of South, Central and North Malabar to open personal deposit accounts in their names at the sub treasuries in their respective headquarters for depositing therein the amounts of Provident Fund Contributions deducted from the salaries of the Aided Elementary School teachers pending final settlement of the procedure to be adopted followed with the Postmaster General. I am, therefore, to request that suitable instructions may be issued immediately to Sub Treasury Officers concerned in the matter. The District Educational Officers are being requested to present the necessary bills for adjustment at the sub treasuries before 31.3.1954. The Sub Treasury Officers concerned may be instructed to honour these Bills and adjust them by transfer to the credit of the personal ledger accounts of the District Educational Officer's per contra debit to '37 Education C.Primary - Direct grants to non-Government primary schools teaching.

Ele.Edn. - Aided Schools - Malabar Dt. - Direct payment of salary to teachers - Procedure for adjustin T.P.F. Contribution of teachers - Proposal -

In para 4 of G.O.No.2295, Edn., dt.28.8.'53 the Govt. ordered that Teachers Provident Fund subscriptions should be deducted by the District Educational Officer from ~~his~~ the teachers' salary and the balance alone claimed in the teaching grant bill. It was also ordered that for provident fund subscription, separate bills in convenient batches should be prepared by the District Educational Officers for all the teachers working in the District and sent to the sub-treasury for adjustme (t adopting one of the following two courses in consultation with the Post Master-General, Madras.

1) The Sub Treasury may transfer the amounts in the bill to the Provident Fund account in the Post Office for credit separately to the account of each individual teacher
2) The District Educational Officer may draw the amount in cash and pay separately to the credit of each provident fund account.

The D.P.I. was asked to consult the P.M.G. before bringing into operation one of the courses suggested above. The Director reports that the Post-Master Genl Madras has addressed as to the procedure to be adopted for adjusting the T.P.F. Contributions of teachers in aided elementary schools in Malabar and that the Post Master-General and the Treasury Officer, Kozhikode have since accepted the proposal laid down below.

(1) The District Educational Officer will draw a consolidated bill in duplicate for the total amount of T.P.F. contributions deducted on behalf of the teachers employed in schools situated under the jurisdiction of the Treasury or the Sub-Treasury endorsed for payment in favour of the Postmaster of the Post Office situated at the headquarters of the sub-treasury or treasury. Along with this consolidated bill, a list of teachers with their names and account number and the amount to be credited in the Pass Boo

p.t.o.

will be attached. The bill will be drawn once in a quarter or twice in a year.

(2) All the accounts of teachers now operated in the Post Offices other than the Post Offices situated at the head-quarters of the sub-treasury or the treasury will have to be transferred to the Post Office situated at the headquarters of the Treausry or the sub-treasury. The teachers will have to be re[illegible] to surrender their pass books to that Post Office. The Postmasters concerned, immediately on receipt of the adjustment bill and the list from the Treasury or the sub-treasury, will adjust the amount to the credits of the teachers' accounts concerned.

The Director requests that the above proposal may be approved. Since both the P.M.G and the Treasury Officer, Kozhikode have accepted the procedure mentioned above, there seems to be no objection to approve the procedure. This may be done

The Director has also stated that the programme for adjustment of the T.P.F. contribution may be as at 'M' on p.6 c.f.as it will not be possible to make monthly adjustments for administrative reasons she also states that it cannot be made once in a year or twice in a year as this will inconvenience teachers who wish to apply for advances and deprive them of the interest that would accrue. ~~if the adjustment is made once in a quarter~~. She therefore requests that directions may be issued that the adjustment of the T.P.F contribution of the teachers of the aided elementary schools may be made once in a quarter. In para 4 of the said G.O. the Govt. decided that the adjustment should be made every month and that if there are insuperable difficulties, it should be done once in a quarter. In view of the administrative difficulty pointed out by the Director, their suggestion to make the adjustment once in a quarter as at 'M' ~~above~~ may be approved.

This is not feasible — see p. 9 c.f

It does not seem necessary to issue any directions regarding the suggestion to keep the amount of subscription so far deducted in the suspence account in the treasury, as the P.W.G. has already accepted the procedure for adjusting the D.P.F contribution of teachers. The further report of the D.P.I. promised at 'K' on p.5 c.f. may be awaited.

This has come really — p. 9 c.f.

A draft memo is submitted for approval.
